Dual College Enrollment for High School Students

ABOUT

The Aquarium of the Pacific has partnered with Orange Coast College to offer a hybrid evening course *Ocean Conservation and Community Science* for 3 transferable college credits. Class will take place twice per week; Tuesday Evenings in person at the Aquarium, and Thursday Evenings by Zoom. There are no prerequisites required. The program is limited to 30 students.

HOW TO REGISTER

-  Submit your Interest Form: <https://tinyurl.com/aquariumcourse>
-  Apply to OCC as a Current High School Student under **Standard Dual Enrollment** (free to apply)
 - Processing usually takes 2-3 business days
 - You will be given an OCC ID and OCC Email you will need to use for your Dual Enrollment Form
-  Email your Dual Enrollment Form (after receiving an acceptance email from OCC) to: dualenrollment@occ.cccd.edu
 - **Title your email subject line: Ocean Course**
 - Form requires both hand written parent and high school principal or counselor signatures (Make sure to get these signatures before the school year ends!)
 - Submit the form as soon as possible, limited seats available
-  Register for the **Ocean Conservation and Community Science Course, MRSC A119, CRN# 28179**. (Check your MyCoast portal for a registration date)

IMPORTANT NOTES

- Open to all high school students through the Standard OCC Dual Enrollment Program
- Students will receive college credits and transcript directly from OCC
- You are responsible for your own transportation to the Aquarium
- You are required to attend class Tuesday evenings at the Aquarium and Thursday evenings by Zoom
- You are responsible for OCC student services fees once you are enrolled in the class (\$54)
