

# Coral Reef Comparison

1. Using our live webcams, visit our two Coral Reef habitats: Coral Predators and Tropical Reef ([www.aquariumofpacific.org/exhibits/webcams](http://www.aquariumofpacific.org/exhibits/webcams))
2. Compare the two exhibits and draw or write your observations in the table below, or recreate the table on scratch paper at home!

Tropical Fish- Coral Predators	Tropical Reef

4. What questions do you have about Coral Reefs? How might you find the answers as a scientist?

*Share your adventures and activities online with #aopkidsclub*
